

GOD'S WORK. OUR HANDS.

Sun., October 2, 2022

**“God’s Work. Our Hands.” is not just a St. John thing ...
it’s something that happens throughout ELCA churches everywhere!**

Imagine the impact that makes! Each church, doing a small part that when combined with all of the other ELCA churches—makes a huge impact in our world!

As St. John looks deeper into the generosity of each generation—what that looks like, and how it makes an impact—“God’s Work. Our Hands.” will focus in a few special projects...

Friendship Brunch—Let’s get Connected!

St. John Council members are hosting this brunch that offers time to make new connections, reconnect with old acquaintances, and give thanks for the gifts we share! ***We extend our gratitude to a program which connects adults and youth together, forming a lasting bond of friendship for years to come—the Best Friends Mentoring Program.*** As you go through the line for brunch, leave a nice free-will donation for this important program in our community!

9:30 am

Putting our hands to work!

Gather in the garden to weed and clean up the perennial beds around the Garden of Grace as we give thanks for the bounty this garden provides to families who depend on produce through the AMEN Food Pantry.

Everyone is encouraged to be a part of this event! It will be a fantastic morning of worship, food, supporting a program that connects people together, caring for our space that provides for our community, and sharing stories with one another!
